You carefully navigate your through the narrow strait. On the left side of the passage is Scylla, a terrible sea serpent, attacking the ship of Velara the pirate queen and Colosson the giant. On the right side is Charybdis, the legendary whirlpool, pulling down Queen Embris and her crew.

- I steer towards Scylla. Perhaps I can assist Velara and Colosson in battling the monster.
- I steer towards Charybdis, hoping I can find a way to save Embris and her ship from the whirlpool.
- I steer between Scylla and Charybdis, doing my best to avoid both hazards and make it through the strait while the other Chosen distract the dangers.
